

FOR IMMEDIATE RELEASE

November 13, 2019
(AAG2019 – NR #11)

Aftermath Shares to Commence Trading on the OTCQB Market

Vancouver, BC – November 13, 2019 - Aftermath Silver Ltd. (TSX-V: AAG) (OTCQB: FLMZF) (“Aftermath” or the “Company”) is pleased to announce that the Company’s shares have been approved to trade on the OTCQB Market, under the symbol **FLMZF**. The Company will continue to trade on the Toronto Stock Exchange Venture under the symbol “AAG”.

Trading the Company’s shares on the OTCQB Market provides Aftermath Silver with a dealer market in the United States that will provide easier access for US based investors and shareholders. The OTCQB Market through its SEC registered OTC Link ATS features over 110 US broker-dealers. Aftermath has also applied for Depository Trust Company (DTC) eligibility. DTC is a subsidiary of the Depository Trust & Clearing Corporation, a U.S. company that manages the electronic clearing and settlement of publicly traded companies.

Quotes for Aftermath Silver’s US symbol are available directly at:

Ralph Rushton, President and CEO of Aftermath commented, “*We are pleased to be accepted to trade on the OTCQB Market. The increased exposure to US retail and institutional silver investors that this platform provides should generate additional liquidity and allow us to expand our shareholder base.*”

Cachinal Project, Chile

Cachinal is located in Chile’s Antofagasta Region (Region II), about 40 km east of the Pan American Highway, at an elevation of around 2,700 m above sea level, and 16 km north of Austral Gold’s Guanaco gold-silver mine. It is a low-sulphidation epithermal deposit which hosts a current CIM compliant¹ 18.4 million silver ounce Indicated Mineral Resource (5.66 million tonnes of 101 g/t) and 3 million silver ounce Inferred Mineral Resource (0.82 million tonnes of 115 g/t), with associated gold credit.

Challacollo Project, Chile

The Challacollo project is located in Chile’s Tarapaca Region (Region I). The project is approximately 30 km east of the Pan American Highway. It is a low-sulphidation epithermal deposit which hosts a Challacollo is a low-sulphidation epithermal deposit which hosts an historic Mineral Resource² of 30 million silver ounce Indicated (4.7 million tonnes at 200 g/t silver) and a 6.9 million silver ounce Inferred (1.6 million tonnes of 134 g/t), with associated gold credits. Power transmission lines are located 15-30 km from the property, and includes water rights.

Notes on Mineral Resources

1. **Cachinal Mineral Resource:** *For full details please see the August 2018 National Instrument 43-101 (“NI 43-101”) Technical Report entitled “Independent Technical Report for the Cachinal Silver-Gold Project, Region II, Chile.” Prepared by the qualified persons Cole, G and Couture, J. of SRK Consulting (Canada) Inc. for Aftermath Silver (the “Technical Report”). A copy of the Technical Report can be found on the Company’s SEDAR profile at www.sedar.com.*
2. **Challacollo Historic Mineral Resource:** *An independent “Qualified Person”, as defined in NI 43-101, has not done sufficient work on behalf of Aftermath to classify the historical estimate as a current indicated or inferred mineral resource, and Aftermath is not treating the historical estimate as a current mineral resource.*

For full details please see the March 2015 43-101 Technical Report “NI 43-101 Technical Report for the Challacollo Silver Project, Region I, Chile” QPs Mroczek, M., Collins, and M., Butler, S. of Mining Plus Canada Consulting Ltd. and Tapia, J.C., of Sedgeman S.A. Prepared for Mandalay Resources, available on the Mandalay Resources SEDAR profile.

Forward Looking Statements

Certain statements within this news release, other than statements of historical fact relating to Aftermath Silver, are to be considered forward-looking statements with respect to the Company’s intentions for the Cachinal Project in Chile. Forward-looking statements include statements that are predictive in nature, are reliant on future events or conditions, or include words such as “expects”, “goal”, “potential”, “anticipates”, “plans”, “believes”, “considers”, “significant”, “intends”, “targets”, “estimates”, “seeks”, “attempts”, “assumes”, and other similar expressions.

The forward-looking statements are based on a number of assumptions which, while considered reasonable by Aftermath Silver Ltd, are, by their nature, subject to inherent risks and uncertainties and are not guarantees of future performance. Factors that could cause actual results to differ materially from those in forward-looking statements include: the interpretation of previous and current results, the accuracy of

exploration results, the accuracy of Mineral Resource Estimates, the anticipated results of future exploration, the forgoing ability to finance these acquisitions further exploration and development, delays in the completion of exploration, the future prices of silver and gold, and other metals, and general economic, market and/or business conditions. There can be no assurances that such statements and assumptions will prove accurate and, therefore, readers of this news release are advised to rely on their own evaluation of the information contained within. In addition to the assumptions herein, these assumptions include the assumptions described in Aftermath Silver Ltd's Management's Discussion and Analysis for the three months ended August 31, 2019, as filed with the TSX Venture Exchange and available on SEDAR under Aftermath's profile at www.sedar.com.

Although Aftermath Silver Ltd. has attempted to identify important risks, uncertainties and other factors that could cause actual performance, achievements, actions, events, results or conditions to differ materially from those expressed in or implied by the forward-looking statements, there may be other risks, uncertainties and other factors that cause future performance to differ from what is anticipated, estimated or intended. Unless otherwise indicated, forward-looking statements contained herein are as of the date hereof and Aftermath Silver Ltd. does not assume any obligation to update any forward-looking statements after the date on which such statements were made, except as required by applicable law.
