Pursuant to the Amendment Agreement, Aftermath Silver and SSR Mining have agreed to, among other things, amend the payment terms in the Acquisition Agreement, as follows:

The Amendment Agreement will result in an additional 458,077 common shares of Aftermath Silver being issuable to SSR Mining at a deemed price of \$0.7835 per share for an aggregate of 4,287,049 common shares of Aftermath Silver (the “**Payment Shares**”) issuable to SSR Mining.

Aftermath Silver is also pleased to announce that it has completed the initial closing of the Transaction pursuant to which Aftermath Silver made a cash payment of US\$725,000 to SSR Mining and issued the Payment Shares to SSR Mining. The Payment Shares are subject to a statutory hold period of four month plus one day from the initial closing date, in accordance with applicable securities laws, expiring on March 24, 2021.

Final closing of the Transaction is expected to take place on or before November 24, 2026. The final closing of the Transaction is subject to the satisfaction of certain customary conditions,
